summary judgment. The court takes the remaining issues presented in the motion to dismiss under advisement pending a forthcoming Memorandum Opinion.

The court **DENIES AS MOOT** defendants' motion in limine. ECF No. 24. Defendants sought to prevent plaintiffs from introducing evidence at the hearing on the motion to dismiss. In light of the court's grant of a period of jurisdictional discovery, plaintiffs did not seek to introduce documents or witness testimony at the June 19 hearing. Therefore, defendants' motion in limine is moot and the court denies it as such.

It is so **ORDERED**.
